

TRINITY HEALTHCARE CENTRE · 2026

Patient *Information*

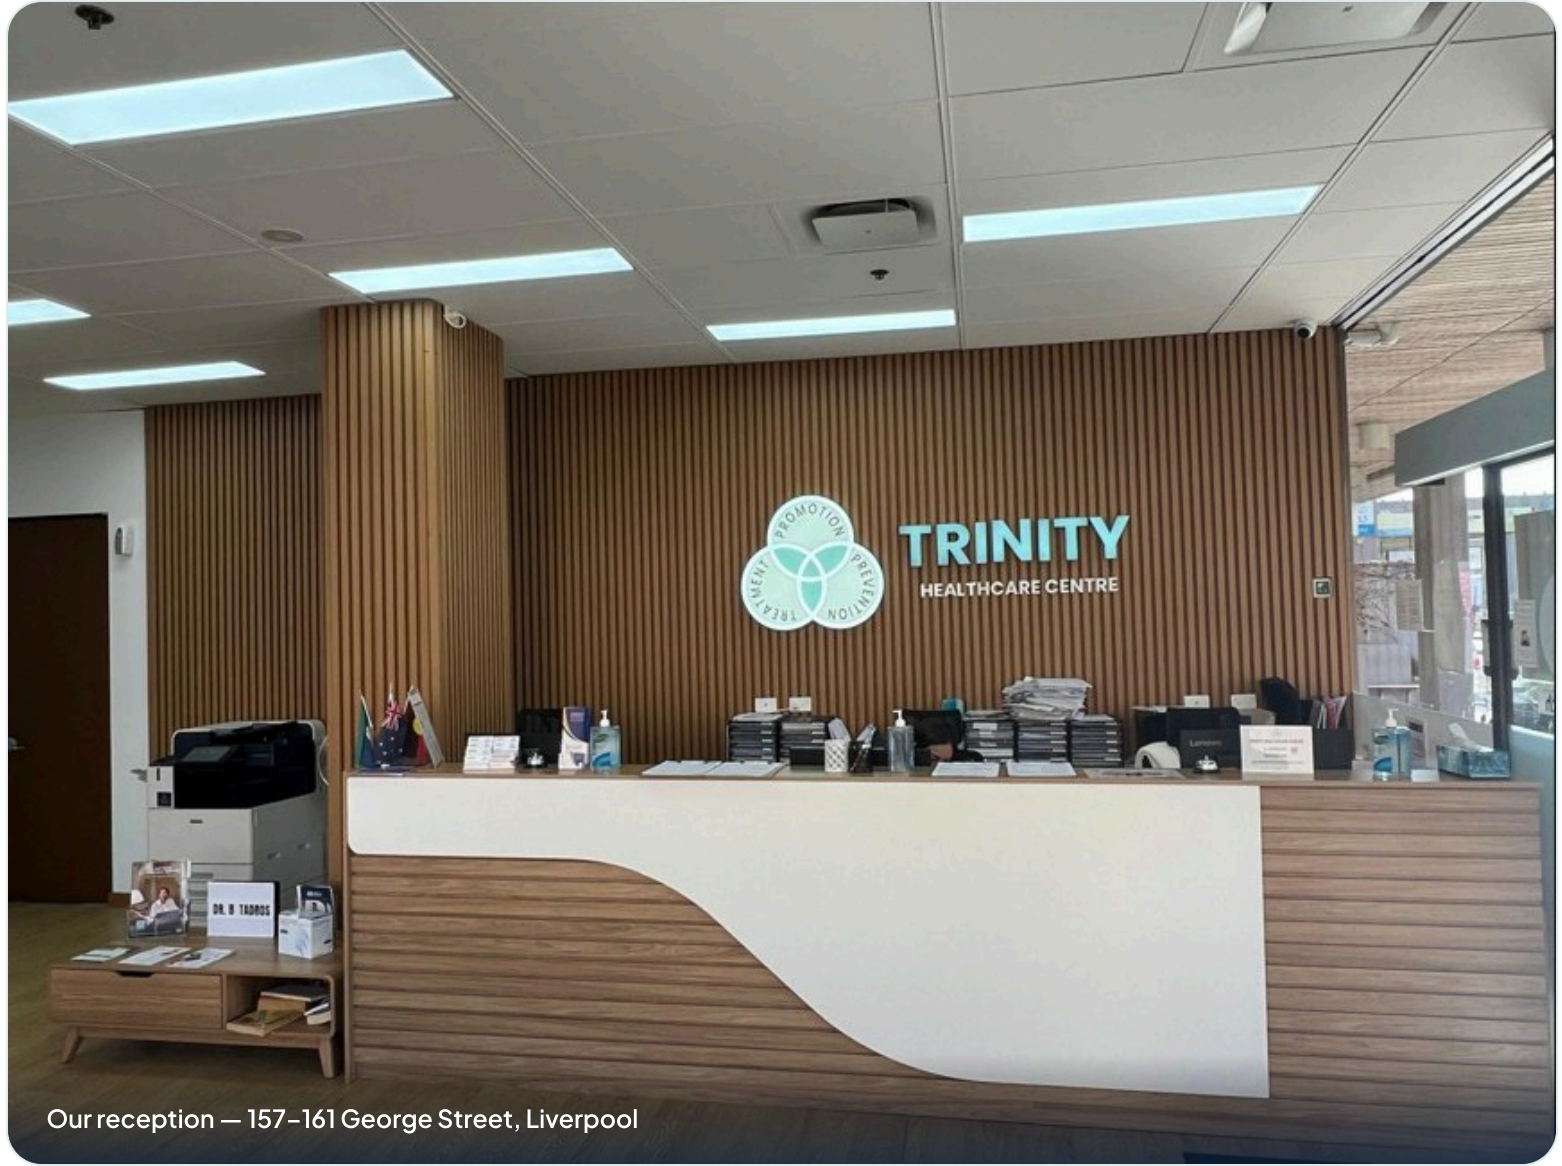

01 – Who we are

A trusted cornerstone of the Liverpool community

Trinity Healthcare Centre was founded on the principles of compassionate care, professional excellence, and community support. Established by the late Dr Ramsis Gayed, our practice has been serving patients with dedication and integrity for decades.

We are more than just a medical practice — we are your partners in health and well-being. Our team of experienced doctors, nurses and support staff works collaboratively to ensure every patient receives personalised care in a welcoming and inclusive environment.

"Our vision is to be the leading healthcare provider in Liverpool — continuing Dr Gayed's legacy of serving the community with excellence, innovation and compassion."

Our reception — 157–161 George Street, Liverpool

Accredited by the Australian General Practice Accreditation Limited (AGPAL) since October 2000 — an independent mark of safety and quality in general practice.

Continuing the Legacy of Dr Ramsis Gayed

Feb 1957 – Feb 2023

Trinity Healthcare Centre was founded by the late Dr Ramsis Gayed, a compassionate and visionary medical professional who dedicated his life to serving the Liverpool community. After migrating to Australia in 1989, Dr Gayed practised medicine with an unwavering commitment to care, touching the lives of over 22,000 patients. His passion for mentoring young doctors and his holistic approach to healthcare left an indelible mark on the medical profession.

Dr Gayed's vision for Trinity Healthcare Centre was to create a place where every patient felt valued, respected, and cared for. Today, we proudly continue his legacy, upholding his values of compassion, excellence, and community service. Through our work, we honour his memory and remain dedicated to providing exceptional healthcare to all.

02 – Appointments & billing

We are a bulk-billing practice

Patients with a valid Medicare card are bulk billed. Patients without a Medicare card will be required to pay a fee at each visit to the doctor.

STANDARD CONSULTATION

\$80

Fee for patients without a Medicare card.

LONG CONSULTATION

\$120

Fee for patients without a Medicare card.

⚠ Some services cannot be bulk billed — including **pre-employment medical assessments**, **IUD insertion** and **iron infusions**. Please ask our reception team about fees when booking.

By appointment

The practice runs on an appointment basis — call us or book at reception.

Urgent consultations

We always allow time each day for urgent consultations.

Extended consultations

Complex or multiple medical problems? Let reception know when booking so we can arrange a longer appointment.

National Relay Service (NRS)

An Australian Government initiative offering call services for people who are deaf, hard of hearing, or have a speech impairment. Relay Officers help with every call and will:

- Change voice to text, or text to voice
- Change Auslan to English, or English to Auslan
- Stay on the line throughout the call without changing what is said

The NRS is **free** and **confidential**, available 24 hours a day. Video Relay calls operate 7am–6pm Mon–Fri and 8am–12pm Saturday (AEST).
